

Kauai Community College

Online New Student Orientation

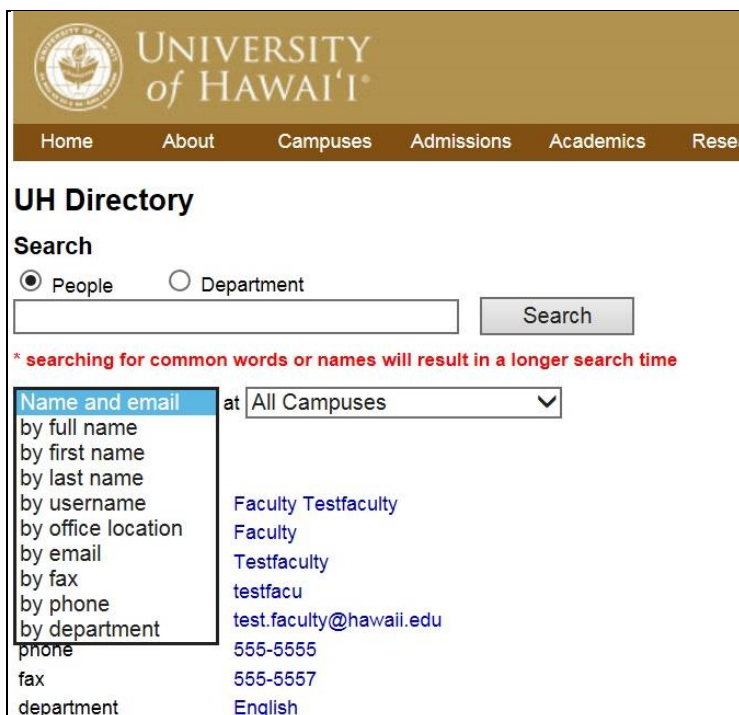

Campus Contacts

The University of Hawaii directory is located at hawaii.edu/dir and provides contact information for individual members of the university community. The UH directory allows you to search by **People** or **Department**. Your search can also be narrowed by selecting from the drop down boxes set at the default **Name and email** at **All Campuses**.

The screenshot shows the top navigation bar of the University of Hawaii website with the logo and text 'UNIVERSITY of HAWAII'. A search box with the text 'SEARCH' and a magnifying glass icon is in the top right. Below the navigation bar, the 'UH Directory' section is visible. It includes a 'Search' heading, radio buttons for 'People' (selected) and 'Department', a search input field, and a 'Search' button. A red asterisked note states: '* searching for common words or names will result in a longer search time'. Below this, there are two dropdown menus: 'Name and email' and 'at All Campuses'.

The search items listed under **Name and email** include the following: by full name, by first name, by last name, by username, by office location, by email, by fax, by phone and by department.

This screenshot is similar to the previous one but with the 'Name and email' dropdown menu open. The menu lists the following search criteria: 'by full name', 'by first name', 'by last name', 'by username', 'by office location', 'by email', 'by fax', 'by phone', and 'by department'. To the right of the dropdown, a list of search results is displayed: 'Faculty Testfaculty', 'Faculty', 'Testfaculty', 'testfacu', 'test.faculty@hawaii.edu', '555-5555', '555-5557', and 'English'.

The search items listed under **All Campuses** include all 10 UH campuses, UH System Offices, Research Corporation of UH and UH Foundation.
